

RESEARCH CONCLAVE IIT INDORE'22

SCIENTIFIC QUIZ

The Academic Council, under the Students' Gymkhana of Indian Institute of Technology Indore, has come up with the research conclave to put together an event to foster research practices, strengthen our ties with the world of science and technology and aspiring people from all over the world.

PROBLEM STATEMENT

One of our events under Research Conclave is Scientific Quiz/Problem which has mainly three stages described below.

01

The first round consists of a scientific quiz that requires general scientific thinking and interest in research and innovation. It will be based on basic knowledge of technology, research, and guesstimates. Candidates are required to answer the questions and submit the same within the stipulated time of 15 minutes. Candidates will be shortlisted for round 2 based on their scores obtained in this round.

02

The shortlisted candidates from round one will compete in the second round. The candidates must select one of the Themes and make a video, poster, or anything that can reflect possible problems & their solutions in that particular theme (**mentioned on the next page**). The submissions should also reflect creativity and help spread awareness among the people. Selection for the final round will be based on the scores obtained in this round.

03

The candidates shortlisted from round two will advance to the final round, where they have to show their presence and problem-solving skills. Candidates are required to present their case and solutions proposed in round 2.
